## WASHINGTON CRIME INFORMATION CENTER

### Holder of Record Agreement

The National Crime Information Center (NCIC) and the Washington Crime Information Center (WACIC) are computerized information systems established as a service to all criminal justice agencies. The goal of NCIC and WACIC is to help the criminal justice community perform its duties by providing and maintaining computerized filing systems of accurate and timely documented criminal justice information. Although use of NCIC and WACIC is voluntary, using these systems obligates participating agencies to abide by the policies and procedures established by the advisory boards of each. NCIC and WACIC require:

1. That any agency having investigative authority and jurisdiction and having an NCIC-assigned Originating Agency Identifier (ORI) must enter qualifying records into WACIC/NCIC as soon as reasonably possible after minimum information is available.
2. That every agency which enters records destined for WACIC or NCIC must assure that "hit" confirmation is available for all records, except III records, 24-hours a day either at that agency or through a written agreement with another agency, at its location.

An originating agency must, within ten (10) minutes for requests designate urgent or within one hour for requests designate routine, furnish to an agency requesting record confirmation a response indicating positive or negative confirmation or a notice of the specific amount of time necessary to confirm or reject.

Therefore, the Sumner Police Department, hereinafter referred to as Holder of Record, and the South Prairie Municipal Court, hereinafter referred to as the Owner of the Record enter into this Agreement.
